

DIGITAL PLACEMENT PLATFORM

thsc.skillgrid.in

Tourism & Hospitality Skill Council (THSC), has launched a digital platform “**Skill Grid**” to connect hotel and tourism industry, training partners and trained manpower.

This is an initiative by THSC, a strong step towards achieving the objectives of ensuring job opportunities to skilled candidates. thsc.skillgrid.in has candidates who have completed or currently undergoing training across Job-roles and states, available for the Tourism and Hospitality Industry to engage.

OBJECTIVES

- To provide a platform for the job seekers and job providers to come together and fulfil the need for skilled candidates
- To provide local, national and international job opportunities for the THSC certified candidates
- To enable the evolution of demand based training to cater to the specific needs of the industry to be fulfilled by THSC Skill partners
- To provide avenues for On-The- Job training, internship and apprenticeship for students trained on THSC's Qualification Packs
